- 1/ Concur in Budget Officer subject to subsequent approval of Classification and Wage Division of the upgrading from GS-11 to GS-12. This does not constitute budget approval of the entire T/O, which we understand will be submitted for Budget review and analysis.

- 2/ The proposed T/O structure for the Administration and Logistics Staff of the WH Headquarters Division has been examined. Although the number of positions proposed for the Personnel Activity does not appear excessive, only preliminary concurrence is possible at this time pending classification review of the entire WH T/O at the time it is submitted for final approval. The implications of possible changes in Career Board support may also affect this T/O
